

ROYAL EXCHANGE

THE ROYAL BOROUGH OF KINGSTON UPON THAMES

ENRICHING KINGSTON UPON THAMES

First recorded in a Royal Charter in 838, the medieval market town of Kingston is Britain's oldest Royal Borough. It has a colourful history that includes the coronation of Saxon Kings and the construction of London's oldest bridge, while present-day Kingston has become one of the capital's most exclusive and desirable places to live.

Today's Kingston is a lively and picturesque market town, perfectly situated on the banks of the Thames, and with a character of its own, although Central London is just a train ride away.

The latest addition to Kingston is Royal Exchange, an exciting new development built around the beautiful Grade II listed Old Post Office and Telephone Exchange buildings. It will offer 267 Manhattan, one, two and three bedroom apartments, adding a modern touch to complement Kingston's evolving heritage.

ROYAL EXCHANGE

KINGSTON UPON THAMES

A PART OF HISTORY

KINGSTON HAS AN ABUNDANCE OF HISTORY WITH OVER 300 LISTED BUILDINGS.

There are two Grade II listed buildings at Royal Exchange. The Old Post Office, which dates back to 1875, and the Telephone Exchange, built in 1908. Both were once the beating heart of Kingston: bustling institutions that played host to generations of workers.

The Telephone Exchange eventually became a sorting office in 1938 and closed in 1984, followed by the Old Post Office in 1995.

But today, their restoration finally returns these two much-loved local landmarks to their former glory.

The Telephone Exchange building will become a hub for businesses and exciting new ventures that will add an invigorating creative energy and new opportunities to the area, while the impressive Old Post Office will become a social focus, with restaurants, shops and meeting places, helping to build a warm and welcoming community.

STREETS A BUZZ

GREAT FOOD, GOOD FRIENDS AND SO
MANY EXCITING RESTAURANTS.

Royal Exchange sits in the midst of a culinary scene that's as broad as it is lively. Early risers head to the Beanberry Coffee Company's grinds. Brunch is at the light and airy Rossopomodoro restaurant or enjoy al fresco dining at the Bavarian restaurant, Stein's.

Pick from Henry's Café, Carluccio's or Byron around Charter Quay; Five Guys, among others, at The Rotunda; or the intriguing independents along Castle Street.

Or simply stroll to the Thames, and choose from Bill's, Busaba Eathai, Côte or one of London's best vegetarians, Riverside Vegetaria. The Gazebo pub is there too, and spills onto the banks in the summer. It's a town that's thoroughly alive, throughout the year.

CREATIVE FLAIR

KINGSTON'S PROXIMITY TO CENTRAL LONDON HAS FUELLED A THRIVING CULTURAL SCENE WITH MANY PRESTIGIOUS EVENTS.

The town is famous for David Mach's 'Out of Order' telephone boxes sculpture.

But there are also exhibitions from new and established talent at Whitewall Galleries, Stanley Picker Gallery and Fusion Arts.

The Rose and Arthur Cotterell theatres present truly innovative productions, and families love the collections and events at the Kingston Museum and History Centre.

Music fans are well-served too. The Ram Jam Club's renowned blues nights compete with live bands at Banquet Records and The Fighting Cocks. Or, for a completely different experience, there's the annual RHS Hampton Court Palace Garden Festival – the largest flower show in the world.

AN EXCITING VISION

KINGSTON'S POPULARITY AND EVER-IMPROVING CONNECTIONS ARE DRIVING AN EVOLUTION THAT EXTENDS INTO ALMOST EVERY ASPECT OF LIFE.

Key to Kingston's evolution is the £400m planned Eden Walk regeneration. Its sculpted public plaza, lined with a wide variety of shops will also combine a boutique cinema and a selection of new eateries – all just a few minutes walk from Royal Exchange.

Meanwhile, The Bentall Centre – South West London's most prominent shopping destination for the last 25 years – is also to receive an upgrade. There are plans for a £25m redevelopment including new entertainment facilities for all the family and several new restaurants, including a rooftop bar. The renovations will include the introduction of several major brands, some of which are newcomers to the UK, and a full refresh of the centre's interiors to make each visit even more enjoyable.

Elsewhere, the £32m Go Cycle programme will create a number of cycle friendly routes and healthy streets across Kingston by 2022. Improvements planned for Kingston train station include cycle storage for 250 bikes and a direct pedestrian and cycle route towards the River Thames.

However, perhaps the most important change may come in the shape of Crossrail 2. Currently at the planning stage, if approved, the proposed £27bn rail link could add up to eight more trains an hour to Central London.

CRAFTED TO INSPIRE

ROYAL EXCHANGE HAS BEEN DESIGNED
WITH ITS RESIDENTS IN MIND.

Working in collaboration with established architects, every facet, from historic building features and modern materials, to on-site facilities have been designed to exceed expectations.

The development will offer the town of Kingston something fresh and appealing – a charismatic new neighbourhood that will grow into a much-loved place to visit.

New residents will enjoy a friendly atmosphere, quality that's obvious to the eye, and a sense of style that puts it among London's most desirable locations.

A NEW NEIGHBOURHOOD

THE PIAZZA IS A NEW SOCIAL, CULTURAL AND LIFESTYLE HUB.

With the creation of a new piazza, Royal Exchange will offer residents and visitors a vibrant place to meet, shop and enjoy a relaxed approach to living. New shops to cater for everyday needs; restaurants

for quick after-work catch-ups or big occasions, including family, cultural, educational and social events. Together they help to establish Royal Exchange as Kingston's enticing new neighbourhood.

PRIVATE COURTYARDS

RELAX AND UNWIND
IN TRANQUIL SURROUNDINGS.

Based on the concept of historic courtyards which provided sanctuary from the hustle and bustle of the town centre, the private gardens at Royal Exchange will provide residents with peaceful spaces, and a welcome contrast to the vibrancy of a twenty first century town centre.

There will be places for reflection, to read in the shade, as well as safe play gardens for children and friendly communal terraces.

STYLISH FACILITIES

ROYAL EXCHANGE SHOWCASES
EXCEPTIONAL AMENITIES.

The private residents' screening room offers luxury and entertainment; a relaxing contrast to the state-of-the-art cardio machines, free weights and studio in the 1,300 sq ft fitness suite.

The 24-hour concierge will also be a familiar face, and happy to handle post, organise transport and more.

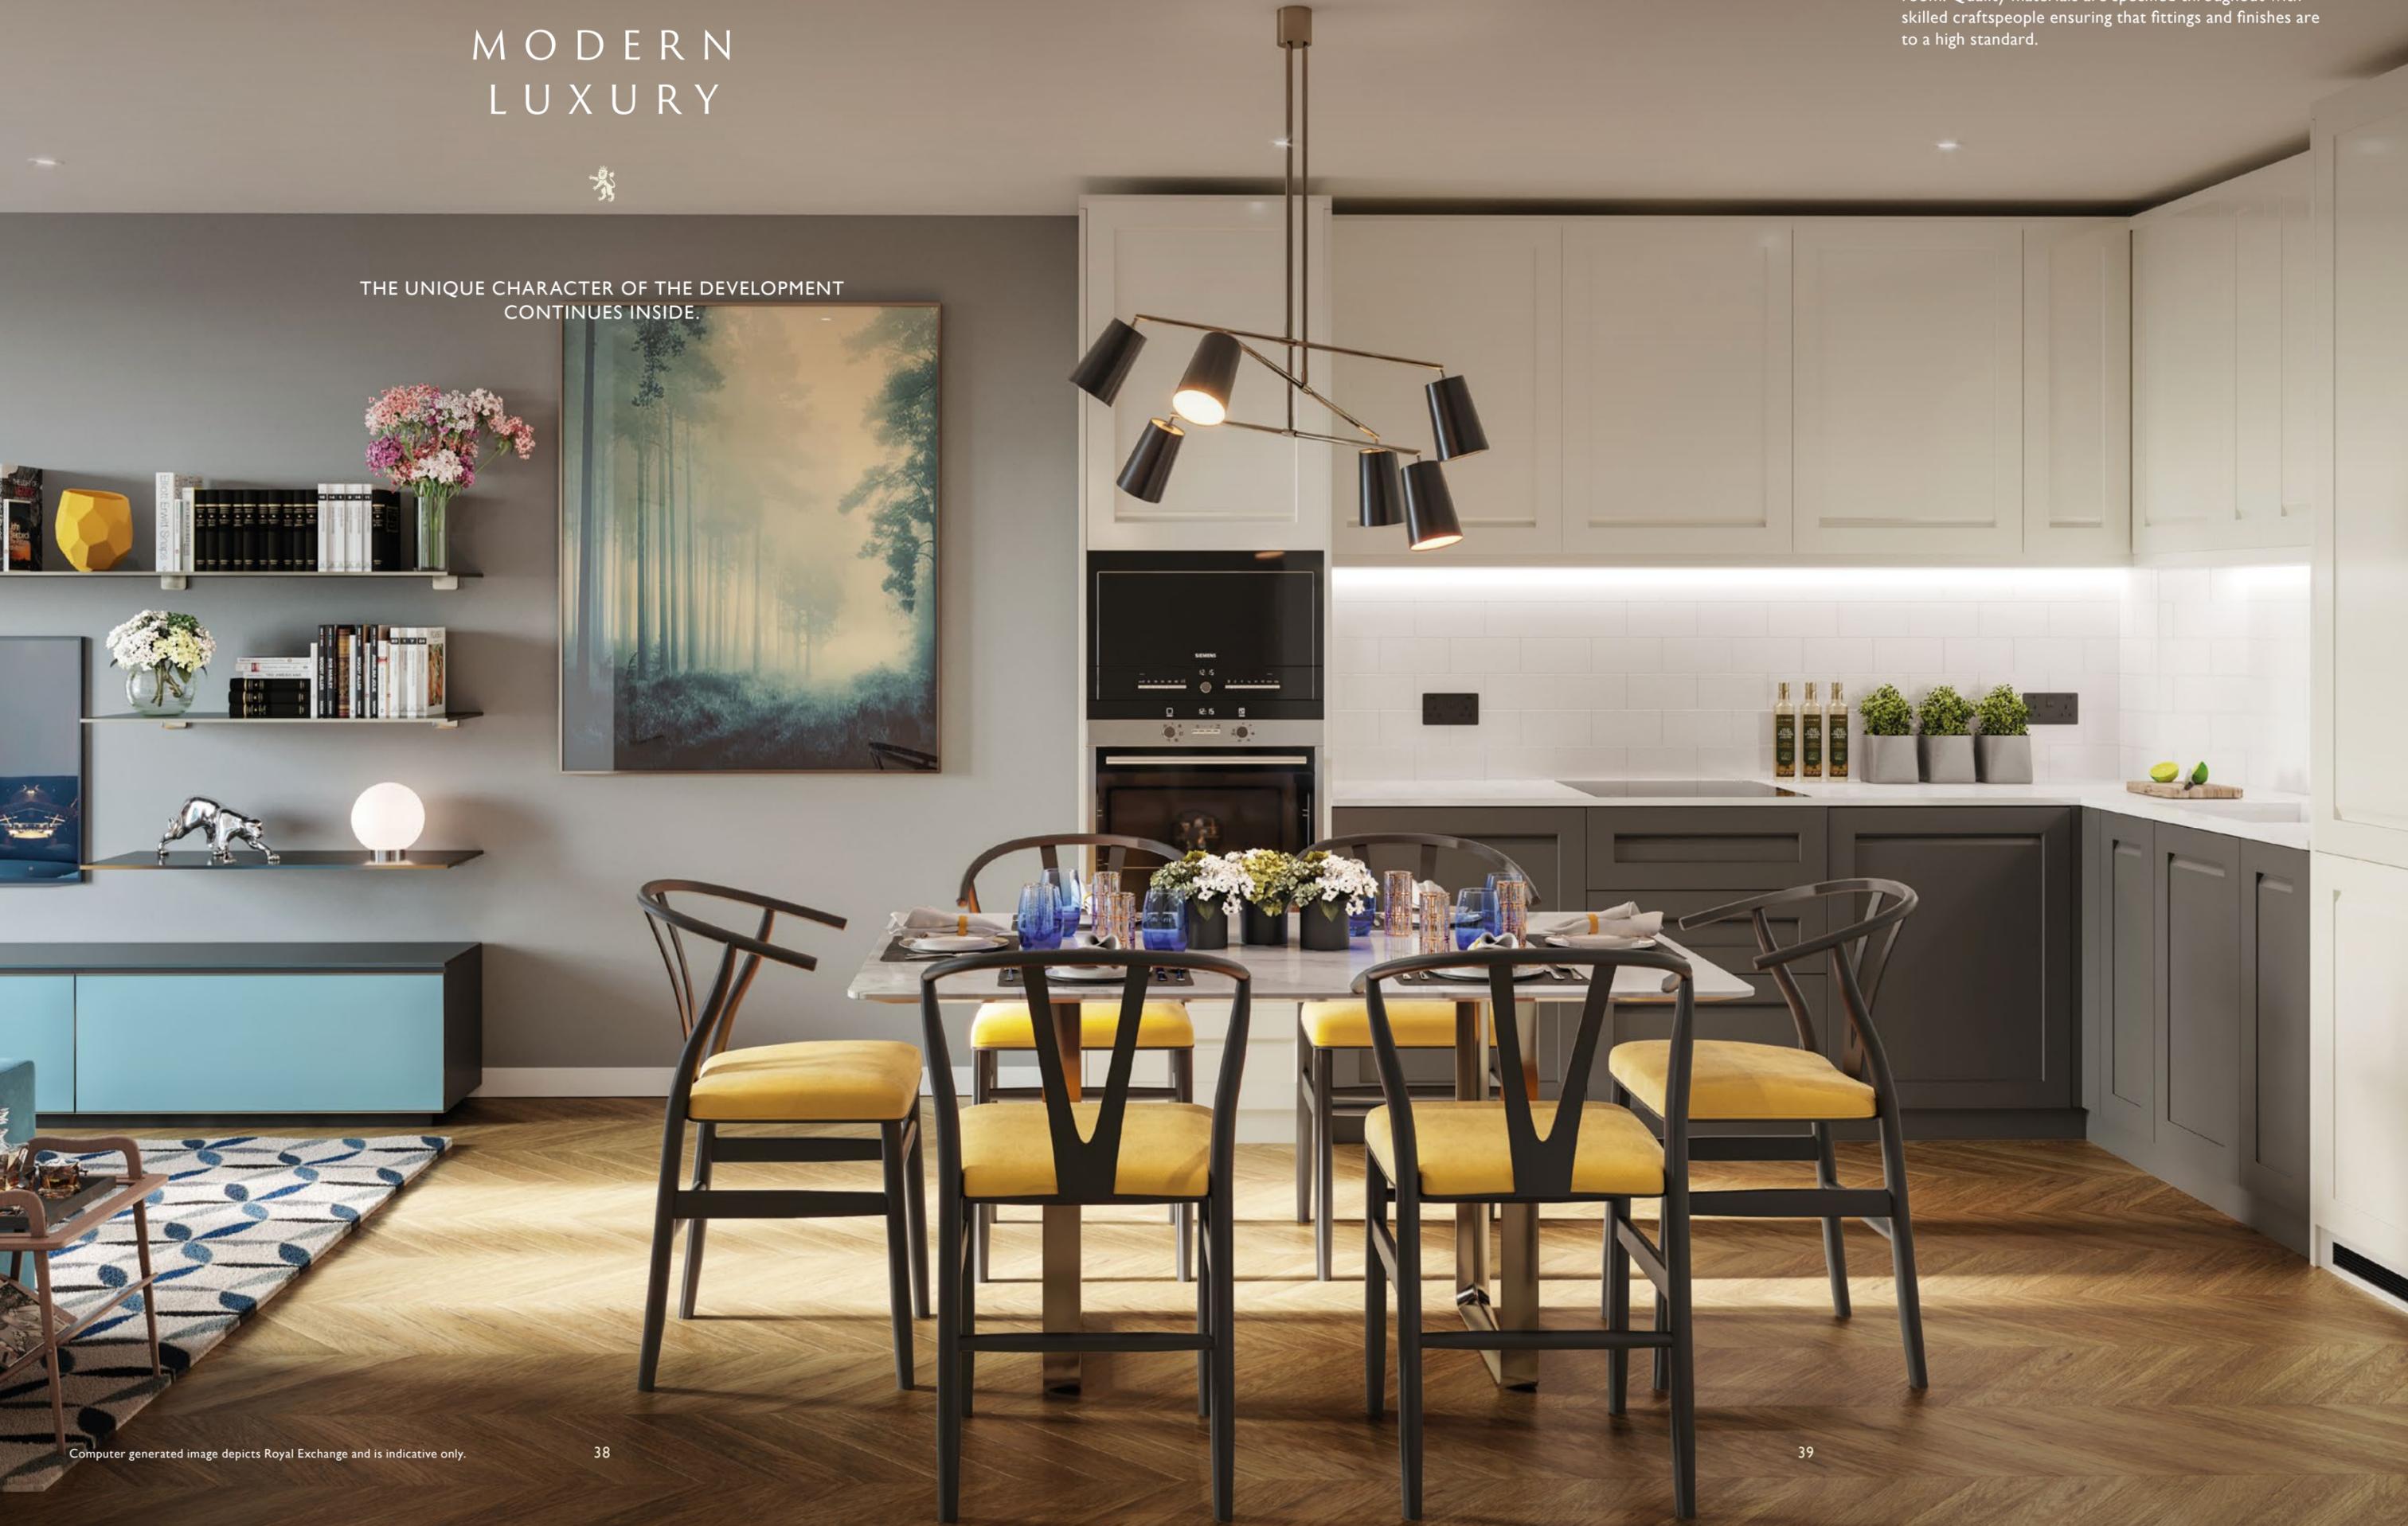

There are other benefits too, like parking and cycle spaces and electrical car charging points.

MODERN LUXURY

THE UNIQUE CHARACTER OF THE DEVELOPMENT
CONTINUES INSIDE.

A home should be a statement of style. At Royal Exchange, the modern interior design creates a clear vision for each room. Quality materials are specified throughout with skilled craftspeople ensuring that fittings and finishes are to a high standard.

CONTEMPORARY STYLE

CONSIDERED DESIGN,
QUALITY SPECIFICATION.

Chevron flooring is smooth underfoot. High end appliances and composite stone worktops sit alongside black ironmongery. Details, both large and small, contribute to living spaces' practical effectiveness and fine aesthetic design.

OUR DIFFERENCE

CREATED BY ST GEORGE.

AT ST GEORGE, WE DESIGN FOR LIFE.

TRANSFORMING UNIQUE PARTS OF THE CAPITAL IS OUR SPECIALITY. WE SUSTAINABLY REGENERATE PREVIOUSLY NEGLECTED AREAS INTO HIGH-QUALITY AND MIXED-USE HOUSING, CREATING NEW SPACES WHERE PEOPLE ARE BOTH HAPPY AND PROUD TO LIVE.

London is a city in global demand and uncovering space to create suitable housing to meet that demand is harder than ever. We achieve the seemingly impossible by searching out overlooked and under-appreciated areas that can be transformed into beautiful housing that meets the needs of aspirant city-dwellers.

We believe people, partnerships, and a shared vision, are key to successfully delivering thoughtfully designed homes and to create thriving communities.

We have been designing and building such spaces for decades. We are driven to create a lasting legacy for the Capital, and its people, through collaboration and partnerships.

OUR VISION IS TO DEVELOP SITES THAT HAVE BEEN CLOSED TO THE PUBLIC FOR DECADES AND RECONNECT THEM TO THE COMMUNITY.

We want the places built by St George to be renowned for the quality of their landscape and the open space. The term 'landscape' comes from two words meaning 'to shape a place where people belong'. That idea inspires our approach. The space between buildings is where you create a community and somewhere that is sociable, sustainable and safe.

We believe beautiful landscaped open spaces give room to breathe and sit in harmony with our vision for the carefully considered architecture and thoughtfully designed interiors throughout our developments.

To pioneer a landscape-led approach to urban developments is hugely important to us. We truly believe these spaces between the buildings are as important as the buildings themselves, where one's wellbeing within that space can be emphasised through positive design.

ST GEORGE AIMS TO BUILD YOUR HOME TO A VERY HIGH STANDARD OF DESIGN AND QUALITY AND HAS OVER 40 YEARS OF EXPERIENCE OF DELIVERING.

When you buy a new home from us it comes with a 10-year LABC warranty – the first two years of which are covered by St George. However, over and above this, we will take a reasonable approach to resolving issues, even if they fall outside of the warranty criteria or time periods. In other words, we will stand by our product and work with you to find an appropriate, fair and reasonable resolution to any issues that may arise in the future. In addition to receiving numerous awards for quality, design and customer service, the Berkeley Group was granted the 2014 Queen's Award for Enterprise in Sustainable Development and in 2011 they won Britain's Most Admired Company award. These awards recognise and reward outstanding achievements in business performance.

We place the highest priority on customer service and will manage the whole moving process for you. Our Customer Care Teams will contact you shortly after you complete, to ensure that everything in your new home is absolutely to your liking. Our homes also benefit from a ten year warranty, the first two years of which are covered by St George.

GREEN LIVING AND SUSTAINABLE DEVELOPMENT IS TOP OF OUR AGENDA

As a company, we are committed to reducing energy, water and waste on our construction sites, in our offices and in the homes that we build. Almost all of our developments are built on brownfield land and we always take care to protect and enhance biodiversity and natural habitats. Our homes include features to encourage sustainable living such as dual-flush WCs, recycling bins and energy efficient white goods.

QUALITY IS AT THE HEART OF EVERYTHING WE DO

At St George, quality takes precedence, from choosing the right location and style of home, to the construction processes we practice, the materials we use and the specifications we put

into our homes. For extra peace of mind, in addition to the 10 year warranty all new homes receive, St George operates a 2 year policy with dedicated Customer Service teams on hand 24 hours a day to deal with enquiries quickly and effectively.

UNPARALLELED CHOICE OF HOMES IN THE MOST SOUGHT AFTER LOCATIONS

As one of the UK's leading house builders, we are able to offer our customers an unrivalled choice of property location, size and type.

From city penthouses to country retreats, modern studio apartments to traditional family homes, you will find the perfect home to match your requirements. Our homes are also built in some of Britain's most desirable locations from market towns and rural villages to major towns and cities, and countryside to the coast – we build in the locations you want to live.

A COMMITMENT TO CREATING SUSTAINABLE COMMUNITIES

St George homes and developments are not just built for today. They are designed to enhance the neighbourhoods in which they are located permanently. We achieve this through our commitment to excellence in design, sensitive landscaping, sympathetic restoration, and impeccable standards of sustainability. We aim to address the needs not only of our customers but their neighbours and the broader community of which they are a part. It is a long-term view: we want to create exceptional places for people to live, work and relax in, and build communities that will thrive today and for years to come.

A COMMITMENT TO THE FUTURE

OVER THE YEARS, THE BERKELEY GROUP HAS WON MANY PRESTIGIOUS AWARDS FOR THE QUALITY, DESIGN AND SUSTAINABILITY OF ITS DEVELOPMENTS.

Our Vision is Berkeley's plan for the business, designed to raise standards higher still. Our goal is to be a world-class company creating successful, sustainable places where people aspire to live.

We take our responsibilities towards our customers, the environment, the workforce and the communities in which we work very seriously. Our plan for the business has five areas of focus:

CUSTOMERS, HOMES, PLACES, OPERATIONS AND OUR PEOPLE.

Berkeley takes social responsibility very seriously. In 2011 we set up The Berkeley Foundation, with the aim of supporting Britain's young people and their communities.

We do this through a number of partner charities that tackle some of the most pressing social problems affecting young people today, including homelessness and unemployment. The money raised comes part from the Berkeley Group, and also through the tireless and inventive efforts of our staff.

We have set a goal for The Berkeley Foundation to invest £10 million over the next five years to support young people and their communities. Every penny will be spent on charitable activities and worthy causes to ensure that maximum benefit is achieved.
